

**39 Roaring Fork Dr, Aspen, CO 81611, Aspen, 81611, CO,
United States**

Recently completed, now turnkey and fully furnished!! Nestled on quiet Roaring Fork Drive in a grove of Aspen and Spruce trees, this .43 acre property representing a rare and very special opportunity to enjoy unobstructed and expansive views of Ute Mountain up to Mount Elber.

A large fully snow-melted driveway and path system enhances the 4,794 sq. ft. mountain contemporary residence along with large patios perfect for entertaining around the fire pit. The new outdoor furniture and hot tub with views of the Ajax Gondola complement this home making it ideal for a family or corporate retreat. The rental income on this home is wonderful. With upstairs and downstairs laundry rooms, turning the house quickly is an easy task between rentals.
