

East Hampton, United States, East Hampton, NY, United States

Estate Sale in the Hamptons. The representatives of this estate are motivated to close before the end of 2018. Opportunity to own a private resort perfectly located south of the highway close to gorgeous ocean beaches. Flooded with natural light, 6 bedrooms plus den and 6.5 baths, in 5,100+/- sq. ft. of recently updated living spaces offer the opportunity to live in a desirable location at the end of a cul de sac street.

Upon entry a dramatic living area with vaulted ceiling, gas fireplace, and floor to ceiling windows sets the tone for entertaining or relaxing. The gourmet kitchen and dining area lead to inviting outdoor spaces and have a very contemporary feel. The generous master suite comes complete with new sauna, shower, Jacuzzi bathtub, and 2 oversized walk in closets. Second floor media area and finished lower level. Professionally landscaped grounds offer an outdoor kitchen making summer or year-round gatherings a breeze, an oversized heated gunite pool, cabana, numerous outdoor dining and lounge spaces, ample parking and a serene vacation feel. Don't miss the opportunity to view this sophisticated offering. Shown by appointment.
