

56 Leonard St New York, NY, New York, 10013, NY, United States

Create the ultimate trophy duplex penthouse atop Downtown Manhattan's most iconic landmark high-rise, Herzog & de Meuron's 56 Leonard Street, by combining the 53rd and 54th floors. Spanning almost 12,000sf of interior space with multiple large terraces, there is no other apartment that can achieve this volume of space with its 14-foot ceilings (the size of a mansion) over just two floors and extraordinary protected views in all directions from seamless floor-to-ceiling windows. The possibilities are endless: grandly scaled entertaining space, with 2 wood-burning fireplaces and anywhere from 4-6 bedrooms can be easily accommodated. The building provides full services and amenities including a 75-foot swimming pool, a fitness center, a 24-hour attended lobby, a children's playroom and much more. This is a once-in-a-lifetime opportunity to own the ultimate contemporary penthouse unlike any other, anywhere.
