

85 Sabin Dr, Aspen, CO 81611, Aspen, 81611, CO, United States

Perfectly situated on 3.14 acres at the gateway to endless hiking and biking in the Hunter Creek Valley and designed by Bill Poss, this truly special 5-bedroom stacked-stone classic provides unrivaled views of the Elk Mountain Range, the evening lights of downtown, and a direct shot of Aspen Mountain. The view speaks for itself, but you must come visit this property to get a true sense of its character, warmth, charm, and attention to detail in its finish levels. Personal touches and custom finishes add personality to each and every room and create an inviting and welcoming feeling throughout the home. Traffic is not a part of daily life in Red Mountain Ranch. It is only 5 min to the Hotel Jerome by car or 10 by E-Bike so incredibly convenient to all that Aspen has to offer...day or night
