

918 S Mill St, Aspen, CO 81611, Aspen, 81611, CO, United States

Aspen core's finest hidden retreat with Ski-in/Ski-out access. Located at the base of Aspen Mountain and the top of Mill Street.

Captivating cathedral ceilings, with 4 ensuite bedrooms, private elevator, spacious family room (currently used as a non-conforming 5th bedroom), 4-car garage, views, privacy, cascading water fall exudes peaceful tranquility. Classic, elegant design and decor. Spacious and private verandas for a total of 6 balconies plus romantic outdoor space with hot tub, BBQ and spacious ski house. Stunning master craftsmanship throughout. Truly rare luxury mountain residence with ambiance like no other. The feel of an exquisite Victorian and the newness of a quality home built in 2000.
