It features a wide open floor plan that incorporates its soaring ceilings and stacked stone to highlight the engineered metal beam work in the great room, kitchen, dining room, wet bar, billiards room, and secondary living area. Take in the unobstructed views of Aspen Highlands from the awesome master suite, Ruthie's Run on Ajax from the kitchen, and spectacular sunsets over the slopes of Tiehack to the west from the great room, outdoor patio, and in-ground hot tub. Five additional en suite bedrooms plus spacious media room, massage room, and wine room top off this remarkable home. The house is situated perfectly on over an acre with a huge flat yard and manicured landscaping.
